“ My heartfelt sympathy to the family. May each of you hold onto the memories. Share the stories, the laughter and tears with each other. Your mother will be with you in the lessons she gave, the life she shared and the love she showed. I hope your memories of her will comfort you and bring you peace. I know I have found that to be true this last month myself. "I am my mother's garden. Her loving legacy. And time can't touch the many gifts she gave--they live in me."

I am sorry I cannot be with you all, but know you are in my thoughts and prayers.

Love to all,

Patsy Porter, niece of Uncle Earl and Aunt Alice

“ *Virginia, with the passage of each day, beautiful memories will begin to replace the sadness you feel today and your heart will be so happy that you shared special times with your mother. I loved her and I used to tell your dad that he had better have supper on the table when Alice got home. Your parents were delightful to know. Thoughts and prayers are with you.*
