“ Even though he was my Uncle, I never really got to see him all that often except when we would come to Virginia from Ohio to visit the relatives. But I wanted to share the one memory that stands out to me the most about Uncle Anderson. We had stopped in to see him and Aunt Verta during a visit. And what I remember most about that visit was the obvious love Uncle Anderson had for Aunt Verta and his girls Nancy and Kathy. The tender way he had with them. It just felt so warm and loving in that home. I can remember Aunt Verta's warm smile and her gentle laugh, and I just thought she was so beautiful. And Uncle Anderson was so playful with us kids. I will never forget the way they treated us kids. They were as glad to see us kids as they were Mom and Dad. If you don't think you can make an impression on a small child, just know this - I don't know exactly how old I was, but it was at least 60 or so years ago. My heart is filled with love and sympathy for Aunt Etta, Nancy, Kathy and the rest of the family. I know they will miss him so much, but they will have so many wonderful memories of him to help them through the painful times ahead. And I will have mine, which hasn't left me in all these years. God bless you dear family in this time of sorrow, and know that Uncle Anderson lived a life full of love and grace and is in our Heavenly Father's loving arms now.

Anderson was such a special person and I will never forget him or the kindness he has always shown me over the years. I can only imagine the wonderful reunion he is having with all his family and friends in Paradise.. Although he will be missed terribly here on earth I am sure he is enjoying the glory that was awaiting him. RIP, Anderson....I know I will see you again!
