“ *Ronnie, Kenneth and family:*

I'm really sorry to hear of Anita's passing. I worked as her student aide at the Corps while I was in college. I hadn't seen her since leaving the Corps but have thought of her often throughout the years. I have many fond memories of Anita and will always remember how her beautiful smile could light up a room. When my brother passed away, she told me something that I have never forgotten and that really helped me get through a pretty rough time in my life. She said that as humans, we are selfish and want our loved ones with us but just think of how much better off my brother was now. It didn't take me long to realize that she was right. I pray that God will give all of you comfort during this very difficult time.

“ *Mr. Taylor and family, I will always remember that wonderful smile of Mrs. Taylor's and the way she made everyone around her smile. She had a kind heart and love for everyone and it showed whenever anyone was around her. She will be truly missed.*
Mr Taylor, We will always love and miss your presence. I will pray that God will fill the void that has been left in your life and try to remember that God loved her most.
I will always be here for you. God will send his angels to watch over you. Pearl and Charisse
