June 7, 1971 - June 8, 2015

He was a proud FFA Member, under the direction of Cecil Clendenon, and received the American Farmer Award. After graduation, he began working for Gem Stone Trucking where he remained for over 20 years. Arty was an avid NASCAR and baseball fan, particularly of Lee High Baseball, of which he was a huge supporter. Arty was of the Baptist faith and his greatest joy in life was his beloved family.

He was preceded in death by his maternal grandparents, Wilbur and Loda Martin, and his paternal grandparents, Aubra and Cleata Dean.

In addition to his parents, James and Barbara Dean, he is survived by his wife, Karin Edwards Dean; daughter, Asia Blake Dean; son, Austin Bradley Dean; brother, James Timothy "Tim" Dean and wife Missy; two nieces, Brooke and Blair Dean; mother-in-law, Shanda Parsons and husband Gary; father-in-law, Lowell Edwards and wife Lena. Doug Clem officiating. The graveside service will be held at 11:00 a.m. Thursday, June 11, on the Dean Family Farm off Miller's Chapel Road in Jonesville. “ I always thought the world of Arty. We graduated together and were friends in school.

He was always kind and nice to everyone. After graduation everyone goes their separate ways and starts their own lives so I didn't see him much. I would see him during baseball season, always leaning up against the fence watching his boy play. He hadn't changed a bit since we were kids. I pray for Karin, the kids, him mom and dad and the rest of the family that God will give them some peace in knowing where he is and that they will see him again. Until then he has left a wonderful legacy.

Praying for you,
Rachel Smith

So sad to see this.

My family and Arty's family both were in the coal mining business. For a few years we sold coal to James Dean. During that time, Arty would come to our coal tipple and haul several loads of coal back to their load-out each day. He was always in a good mood, smiling, hurrying off in his coal truck. I have the BEST memories from those short years of coal mining in the 1990s. And Arty is a part of those memories.

The James Dean family was always so good to us and we had a great business relationship. I've not had business dealings with anyone better than James Dean. It breaks my heart for the Dean family to lose such a kind son, brother, husband and father.

"Whereas ye know not what shall be on the morrow. For what is your life? It is even a vapour, that appeareth for a little time, and then vanisheth away." James 4:14 KJV

We have hope that we shall meet again, and that hope is in Christ. May our Heavenly Father send comfort to this family in their time of need. Especially, in the days and years to come.

“ I cannot remember not knowing Arty. The Deans and the Sextons kind of go hand in hand. Arty was a lifelong friend who made a place in your life and heart that was all his own. He was genuine. He was Arty no matter where or when you saw him. He had a flare and a twinkle in his eye that could melt your heart in an instant. I looked for him every morning. If we did not pass at the usual place he would honk and throw up his hand as he went by at the next pass. LOL! Old friends keep up with each other. It was kind of like a safety net for the morning and all was right with the world. It was our thing. It had been that way for years. I already miss that.

I love each and every one of you all. My heart is broken into a million pieces with you. I am stunned and hurt with you and for you!

May God show you His love and grace by wrapping you in His arms and carrying you through all this! May He grant your hearts Peace that Passes ALL Understanding! May He comfort you in your darkest hours. May He lift your spirits and ease your burdens.

If there is even one little tiny thing at all we can do to help lighten your load, ease your pain, or help you along the way you do not hesitate to call on us! We will come running!
