“ Aston “Willie” was such a sweet, caring, independent, and humorous person. She was very strong willed and determined. It was a pleasure taking care of her at the nursing home and just listening to her stories and her laughter was contagious. She will definitely be missed by many! 💜

“ Aston was such a very special nurse .I met her when I started to work as a nurse at LRMC in 1994.As a new nurse there ,I had so much to learn .She taught me so much .She really looked and performed as an outstanding Nurse .She was very professional looking dressed in her very white dresses that was always starched and ironed to perfection .Her shoes were always polished and very white .She wore her nurses hat always .She always took very good care of any patient.She sure made an impression on me .I think it taught me to be better nurse .We all learned so much from her .I loved and respected her so much .I believe she traded her cap for crown .She is with her Savior now .So rest well my sweet friend !!!
