“ I was very sorry to hear the passing of Betty. I think mom and Betty, to my knowledge, are the last ones left in this community. As with Betty and so many others that have raised families, saw good times along with sad times yet these families, the community I knew growing up in as a child, have left with us so many many precious memories that no one can take away from us. Our parents and neighbors that lived around the branch and this great community have walked and left their stories, their footprints their everlasting love behind for us to walk in. Yet most kids in this community have moved on to different places, different states, lands have changed owners yet we who grew up there know that this was one great place to live. As a child you do not think adulthood will never be reached. Then It happens, you are finally 19 or 20. Then you are 30 and go to bed 40 and wake to find yourself hairs of grey and age to be 60 or 70. How times flies. Like watching hands on a clock it's 5 A.M. in the morning, time to rise, and as the hand moves from hour to hour you see the day has past and it's getting late, it's now. “time to rest.” As Betty has taken her final rest on this earth, we also know that this is only the beginning for her. As 2nd Corinthians 5:8 says “rather to be absent from the body, and to be present with the Lord”. Debbie, (whom I graduated with) Dianne and to all the family my prayers go out for each of you and your family. Knowing that Betty will continue to live though you, your kids, grandkids, great grandchildren and from generation to generation as God hath said in His Word. For those whom are saved through the Blood of Jesus Christ we will all be together again in Heaven where sickness, sorrow, nor death nor separation we will never see. 🙏🙏❤️ Elaine Mullins Hatfield

Thank you so much for those heart felt words and thoughts. Yes we were the lucky one to have grown up with a great community family. We were dearly blessed to have had that kind of childhood.
