“ *We just learned of her passing...we will never forget our former teacher, family member (through her marriage to Denver), and friend. We pray that the hearts of those closest to her will soon mend and that she has found true happiness and peace with those who went before her. Although we missed the service, we will pay our respects each time we “visit” the rest of the family in Woodway.*

“ *Mrs. Hines was my 5th grade teacher(1969-70). She was so kind to me, a poor, country kid, who talked too much. I have thought of her often through the years. She had more influence upon my life than she ever knew. I am sure she touched many lives in a positive way. May she rest in peace. Prayers for all who mourn her passing.*
