I'm so sorry about Aunt Betty. When daddy dies we had a wonderful minister who asked us to remember and share a memory of him. So many people spoke and reminded us what a great guy he had been. More than one said something that made us laugh! I hope in your sadness you can think of all the wonderful times you had growing up and celebrate her life well lived. Thinking of you. Love Susie*

*Susie ~ Thank you so much for your wonderful note. Mother was so lost after Daddy died and the Alzheimer's had taken all of her memories of her children, grandchildren and great-grandchildren. We are so very grateful that she did not suffer. Kenny, Mary Lou and I have grown much closer throughout Mother's illness and therein lies a huge blessing. It's so good to hear from you ~
 Love, Carole Sue.*
