“ *I didn't know Billy very well but she was always so kind and friendly when I went in the store. One day she was trying to help me use a gas discount and it was not working. I pumped my gas and went on my way. About a week later I walked in the store and she come right to me and said, " I have your money." She had saved it for me because it had not showed up until after I had pumped my gas. I will miss her!*

“ I am so sorry to hear about your precious daughter, i just don't know what to say to comfort you except you will be in my prayers, and i pray that God be with you all, give you comfort and peace. She is a beautiful girl and was so young, but God needed her back with him in his garden, and he only takes the best when he has an empty space. I lost my first granddaughter at 27 weeks, and if it wasn't for Gods love, comfort and amazing grace my daughter would never made it, God will take care of you too, just have FAITH in him, TRUST him to help you all. The main thing be ready if you leave this world to see her again, she is walking on streets of gold, singing in the angel band, eating at the table with Jesus, she is not suffering, nor in pain she is the same pretty girl she was here on earth before God call her home, we don't always know Gods plan i have wonder why God took my granddaughter, the Pastor told me that God will explain his reason when we get to Heaven, that he knows what's best. I love you all and you will be in my thoughts and Prayers, Troy is a good friend of mine he rode my school bus called it "The Cheese Wagon". God Bless you all
