I am so sorry to hear of the loss of Billy. He and I went to school together for 12 years....Ben Hur Elementary and Jonesville High School. He was a friend and neighbor. Billy was a kind person who pulled my car off the edge of my driveway during a snow storm. He and I walked down the aisle during our graduation. I was pleased that they paired us together since we came from Ben Hur Elementary. He will be missed by all. My thoughts and prayers are with you.
