“ I am so sorry for your loss. I didn't see this until today...I remember your mother so well...as a sweet and vibrant person who loved to sing and lead worship. I know she will be desperately missed and I also know she has gone on to a better place where she has been welcomed as a good and faithful servant. I know there was great celebration in heaven when she arrived. May your wonderful and unique memories of her comfort you and help you celebrate her life.
