“ I remember cousin Bruce. He was always friendly and kind spoken. Unless you provoked him to 😡. He could defend his own. But it took a lot. I really loved him, even though I didn't get to see him much. My hope is that he made his peace with God before he passed away. My hope is that all who have sinned and came short with God will give their hearts to God. His coming is nigh at hand. I love you all. And am praying for the grieving family.
