“ Richard, Emma, and Peggy, my heart breaks in one way and rejoiced in another. I know that earth's loss is surely heaven's gain. I loved your dad as if he was my own flesh and blood and he will always hold a special place in my heart. I close my eyes and see that smile and laugh when he would stick out his tongue and I would tell him I loved him too. You all are in my prayers and thoughts, I know he was special to his family and family was special to him, but he is where he wanted to be for over a year now and I'm sure that he and your mom has had some long talks since he got there. I love you all and thank you for sharing this special man with me. God Bless
