“ How I remember Aunt Carrie, I think of her life that she lived so beautifully and her heart that loved so deeply. Her infectious smile, her sense of humor and warm words of praise. Cherished memories of childhood; chasing fireflies, climbing the willow tree, playing hide and seek, Uncle Fred spraying us with the hose, riding our bikes on those rocky dirt roads, skinned knees and never wanting that time to end.

*I have reached an age where I fully understand that life does not prepare us to lose those we love and hold dear, but it is our faith that will carry us. The same faith that Big Poppy and Big Mommy shared with all their children who in turn shared with all of us. The Lord's mercy is beyond our understanding and his goodness is infinite. Remember: 2 Timothy 4:7 - I have fought a good fight, I have finished my course, I have kept the faith. Colossians 2:5 - For though I be absent in the flesh, yet am I with you in the spirit, joying and beholding your order, and the steadfastness of your faith in Christ.*

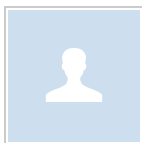

*Aunt Carrie has joined the angle choir with so many other loved ones that I believe we will see again one day. But for now, Jesus is our Hope: through His merciful Heart, as through an open gate, we will pass through to heaven.*

*Love and prayers to all the family. May God's peace be with you.  
Lots of love, Glenda and Michael Settle*
