“ *Charlene meant a lot to me and tho I've not seen her in close to 30 years I still frequently have fond thoughts of her. We worked together @ Maudes. Whenever I was having too much stress Charlene knew and one sweet smile from her just broke that uneasiness. I'm sure she had that effect on her friends and family too. She loved the Lord and sought out how to serve Him. She was a faithful wife and mother to her beautiful children. I got to know Charlene when we went to Rose Hill to Pastor the church of God in the late 80s. She was a true blessing to me in the time we had together in their home and mine. Truly she'll be missed, but as Pastor Poston said, it won't be long till we are with her again.*

“ *You are in our thoughts and prayers. Bro and Sis Hubbard were incredible friends to us down through the years especially when we served as pastor of Rose Hill Church of God. Rose Hill was our first Church. We were young and so inexperienced and this wonderful family took us under their wings and showed us the Love of God.(Sis.Charlene also showed Debbie how to make home made pizza!)We spent countless hours at their home and that helped us with our "homesickness". We owe so much to people like Sis. Hubbard. I know we are just a few of the many many people that she touched. Our hearts are sad that she has left us but we anticipate seeing her very soon in that land of endless day! WE LOVE ALL OF YA'LL! Special Thanks to Sis. Valerie for keeping us updated. You and Bro RJ and family are very dear to us.*
