“ My deepest sympathy to the family. Chuck was a wonderful brother-in-law who always gave me encouragement. I remember when he first started preaching and when Jim and I came to visit. He took us to Aunt Ruby's house way up in the mountains and I really enjoyed our visit. It has been many years since we've communicated but the love has continued throughout the years. My love to you all. May God comfort you through this difficult time.

“ The first time I ever spoke to Mr. Robinson was when I was 14. I called their house to talk with Sheila, and Mr. Robinson answered the phone with a heart, "Praise the Lord." I had never heard anyone answer the phone that way. I thought I had dialed the wrong number so I hung up on him. I promptly called back and was again greeted with a joyful, "Praise the Lord." This time I just sat in silence. Lol. Mr. Robinson finally asked me who I wanted to speak with. I often thought of that greeting. So many times when we're having a bad day we snap at people or sound irritated. Every day is a good day to be joyful and praise the Lord. Mr. Robinson knew this, and it showed.

“ I really enjoyed working with Chuck once we got to know each other. He was a good God fearing man. When we came back to school after being out for the summer He would put his arm up next to my arm and tell me that I had more color than he did. Thing was, he was right!!!! He taught me some really good lessons about life.

“ *My deepest condolences there are not enough words to describe how wonderful my ex father in law was a true man of God. He was a wonderful husband to my lovely mother in law and a great father to his children and grandchildren. To know him is to love him he had a great humble spirit serving and caring for people in the community. Oh how the angels are singing and the lord is saying well done my good and faithful servant!! Big hugs to my Robinson family*

“Robinson is my name and guidance is my game!” How I remember him introducing himself to me my freshman year in high school. Mr. Robinson was a great guidance counselor and pastor. He always cared about the students and encouraged us every day. He was a great role model. Always laughing and smiling. He was also a great father and I’m proud to say that his children were my friends, co workers, and even teacher (Shelia). Mr. Robinson was a devoted follower in Christ and not only passed the values on to his kids, but to his “school kids” as well. I remember his Jeep with that unique horn and remember hearing it during our band practices to let us know that he was watching and cheering. I also remember how proud he was to watch the band perform as well as any sport that his children or school were playing. His lovely bride always beside him cheering on his kids. He made a great impact within the community and will be dearly missed.

Thank you Mr. Robinson for the memories

“Mr. Robinson was a great inspiration to myself and many more. I was talking to my friend today. And she said she remembered him when she was in school and he would come through popping his chewing gum. I remember him always bring a great friend and pastor. And always knew how to give good advice when you needed a friend. He was loved by many. And had a heart of gold. His family were and are family to my family and I. And always have been. My deepest prayers for his family. Heaven is surely sweeter now. And I know my friend is safe in the arms of JESUS!!!
