“ I just heard of Wayne's death. He was a few years ahead of me in school, but we rode the bus together, and he was fond of teasing me. "Trouble" was the nickname he picked for me, and I'm sure that many people in my life now would think it to be an apt choice!

*It's sad whenever we lose someone from our Blackwater "family," and we are reminded that every day that we have here is a gift. I hope that his loved ones will be comforted and will eventually, make peace with his passing.*
