“ So very saddened to read of Danny's passing. In the 70's I had a bread route in Lee County and the Thompson Settlement area. It was then that I met the Scott family and the Dan Scott Grocery Store. Years later in about 2004, reconnected with Danny and wife Alice, at track meets and other activities that involved our children. He was the kindest person and always anxious to talk about old times. Praying for all his family. He was such a delightful man.

“ Have known Danny since his childhood days at Thompson Settlement. I’ll always remember the solace he offered me when his good friend, my brother, passed away. His stories about some of their teenage antics were priceless. His kindness and compassion will always be remembered.
