“ Uncle David and Lorine was always there for us all through life ups and downs . Would drive 7 1/2 hours to visit and be with us when Dad had heart surgeries and there with us when Daddy passed away. He was always good to us and made us feel at home when we visited his home and would cook great meals (his good ol gravy and biscuits) . He taught me how to can green beans. Helped put a tin roof on my porch so we could enjoy sitting out there, We will deeply miss him ...I dont believe there was anything he couldnt do once he set his mind to it! My heart aches with my cousins.I love you all! Lorie Robinette Edwards

“ He took me hunting at bear Creek in Smith county when I was a kid .I believe I gained 10 pounds in 3 days he was one of the best campsite cooks I ever saw. I'll never forget the trip and all the hunting stories we shared .
