

Donald Craig Jones

“ Don, I met you and your family when I was a caregiver for your wonderful, sweet, and loving parents. Your dad asked me if he could adopt me as I did not have any relatives in Tenn. I told him yes, and the whole family treated me like I was part of your family and made me feel so loved! You and I became great friends, actually we called each other brother and sister. And you gave me the nickname of Doodlebug and I loved that. So now I'm going by Doodlebug to remind me of you. I miss you already brother. Hope you are at peace now. Tell your parents hello for me. Love you, your doodlebug! ❤️😍😇
