“ I'm very saddened by this brother's passing, but we know he is in a better place than we are. My condolences for Don's lovely wife and family. I only recently met him at church. He and Daddy knew each other through trucking decades ago. He sure liked my banana pudding I brought to a church dinner. He said "You actually put bananas in it." (I couldn't imagine banana pudding without bananas).

*We will see you on the other side, Don.*
