“ Growing up, Aunt June's was like visiting my grandma's house. It was a place I could play with my cousins, enjoy a stir off, have some sweet tea and always be offered a good meal. Whether we were playing cards, or sitting around on the porch, spending time together with family was always special to me. I'm going to miss those things. Aunt June was always nice to me...she treated me with love, for which I'm grateful. I'm grateful for the impact Aunt June and Poppy had on my childhood!

So many memories of this dear lady that I will always cherish. When I walked in her door "I was family", I felt I was home again. I will truly miss her, as I have missed Ellis and him calling me "little Club". They will now be together once again. Words cannot express all feelings , but to Glenn, Danny and Hope, sending my love and prayers for all the famiy.

“ I am so sorry for your loss. I had the honor of serving as June and Ellis' mail carrier for over 30 years. I have never forgotten their kindness and generosity and have often told others so. I will treasure those memories of gifts like molasses, walnut kernels, and especially her molasses cookies. She shared the recipe with me, which I have given to others but always with her getting the credit. I have been and will continue to pray for her family, neighbors, and friends. The measure of a life is how many people you touch and help. Her life was so great it would be hard to measure. Kay Jessee
