“ I just saw about your praying Eddie Ray... I'm so sad... I was just talking with someone at church on Sunday about you and the time you walked up behind gramaw in the kitchen with your boa wrapped around your neck and the Halloween that you scared Aunt Nora at her back door when you were dressed like Dracula... so many fun stories of growing up! I love you so much Eddie, now you'll never get to tell me the story of how mom danged you from big trouble when you were younger... at least I know you're in good company and up there being your happy mischievous self with all the family! Give my mama and Aunt Miss and Gramaw and Grapaw and all the rest of the family the biggest hugs for me!! I love and miss you all so much!! 💕💕💕💕💕💕💔💔💔💔

I guess there's no way to edit this, I had written your passing, but auto correct changed it to your praying... and it's supposed to say saved not danged...Aunt Nora not Miss...
