*Dear Quillen Family,  
We have been out of town and just returned sadly learning about Eddie passing away. He was the best shift partner that I ever had. He was always helpful and always took extra time to lend a hand to anyone in need. He was one of the most compassionate people I ever worked with and that our family has ever known. He will be sadly missed. Please let us know if there's anything that we can do for you family. Our thoughts and prayers are with you.  
Kindest Regards,

“ *To Gail , Amanda, Katrina, and Yvonne. From my first days in Lee County as a young Trooper Eddie made me feel welcome. We shared many shifts together working in Lee County and I have many great memories from that time.. Eddie had a great sense of humor and wit that only another Trooper could truly appreciate. I will always remember him fondly and our great group of Troopers we had during that time. My sincerest wishes and deepest sympathies to you all. May God comfort you and wrap his loving arms around you in this time of loss.*

“ Please know that you that you are in our thoughts and prayers as you have been over this difficult time for the Quillen family. Eddie and I were co-workers with the VSP and I have such fond memories of our many shifts spent together in Lee County. E.W. was always professional, serious , kind, and his presence could calm any situation. He will be missed in this walk of life, but as Christian brothers, we have the assurance that we will meet again.

“ Eddie was a special cousin and brother-in-law. I will always treasure our visits when we came home from Ohio. So glad he knew Jesus as his personal Savior. He could always make us laugh with his funny little jokes. He was a serious Trooper and person in important decisions. To your family we extend our love and sympathy. You will be in our prayers. Sorry we can't be there for the service since we are in Georgia with our grandchildren. May God bless each of you and give you His love and strength in your time of need.
