“ I know there aren't words to ease the pain all of you are feeling. Edgar Wayne was a very special person to many but especially to all of us Dryden kids who grew up with the Shubert family. I don't ever remember being around him that he didn't flash that smile and say something nice to encourage or ease your pain. He was a friend and mentor to many and a great dad and Poppy to his family. He will be missed by many. Shane and Missy - your pain is great now but you will see him again one day. Until then, he will be healthy and your guardian angel. I love you guys!! Anna

“Zelma, Shane, Missy and extended family we would like to express our sadness in the passing of Wayne. We were neighbors across the street from Zelma in the 1980s. What a wonderful family! You are in our daily thoughts and prayers during this sad time but we know that God will reunite you again in His time. This is not goodbye but see you later.
