“ One of the biggest heart on a person you could ever meet. She was my big sister. I will miss her so much, her laughter and the fun times we had. Never be another Charlene. But she's with the God she loved, and family that's gone on ahead of her, whom I know she's excited to see. Love you Charlene and I'll see you later, it's not goodbye, it's just later. Love you Kitty.
