I was so sorry to hear about the death of your mother. Although I didn't really know her, I am sure she was a wonderful woman because she raised two fine sons. My heartfelt sympathy goes out to you, your children and the rest of her family.

“ My deepest sympathy to Tyler and the rest of Betty's family. Tyler has been mowing my family cemetery for years, and Betty was the person who would communicate with me. I will miss her friendly voice. May God have comforting mercy on the entire Mullins family.

“ *I worked with Betty as a nurse at Lee General hospital and LCCH for many yrs. She taught me many things as an LPN when I graduated from Nursing School in 1976. We worked hard, laughed together and became as close as family. When she left to work at Holston Valley in the OB Dept. She carpooled with my Aunt Barbara Richmond and they were the best team ever. They were there for the birth of many of my nieces and nephews and made sure we were treated like royalty. I was heartbroken when I heard of her passing so suddenly. Even though we haven't worked together in yrs and we went our separate ways these past yrs, anytime we saw each other we fell back into comfortable conversation like we just saw each other yesterday. I pray for the family for peace and understanding knowing she is in heaven with Aunt Ba working the heavenly Nursery!*

“ I can not believe this. I loved this sweet lady so much. I am so sorry for Tyler and Travis also those sweet grand babies . I love the whole family and I have never known a sweeter person in the world. The only time I ever heard her say anything about or to anyone was to referees. She would have fought the world for her boys . My heart is broken for all of Betty's family. She was one in a million. Heaven gets sweeter each day.
