“ *So very saddened to hear of Gene passing. We got to know him from Walmart, my husband worked there with him and they ate lunch together and had breaks together often, and I got to know him from being a frequent customer. He was such a sweet and kind man, with a wonderful smile and friendly personality. You just couldn't help but love him. While anyone who knew him will feel this loss, I'm certain it is nearly unbearable for his family. Please accept our most heartfelt condolences and know that you are in our thoughts and prayers. This worlds loss is Heavens gain. We are grateful to have known Gene and thought the world of him. He was one of a kind and will never be forgotten. Jan & Denver Garrett*
