“ I had the privilege of calling this wonderful man "My grandpa" and bestfriend. There is not a day that goes by I don't recall all the memories I have shared with him. From daily phone calls, watching women's basketball and softball games, making walking canes/other crafts, and many other special memories that I will never forget. I can imagine him and mama in heaven together arguing over the television because he wants to watch his softball and she wants to watch her stories.He is missed greatly and thought of every moment of the day. I Love You Grandpa!!!!
