“ I feel very blessed and honored to have known Gladys Flanary. Gladys was a godly woman who gave her time and energy to help others. She was committed to Christ. She exemplified, " Do unto others, as you would have them do unto you." I believe she was an angel sent from above. As a young person, she helped me manage hardships, trails, and challenges in life. I loved to hear her sing and play the church piano. She blessed my life in so many ways. I love her and her family greatly.

Gladys' service was truly a celebration of her life. I felt God's presence there. Gladys was a precious lady. Her kind are few. She made such a difference in my life.  
Lynette, Lorna, and family, you are to be commended for taking tender loving care of your mother & dad in their illnesses and time of need. I know the upcoming days and weeks will be hard. I will remember you and your family in prayer.
