Michelle Clonce-Singleton - April 19, 2017 at 05:40 PM

“ A special lady came into my life 32 years ago. We quickly became friends, and over the years shared memories of both joy & happiness. She welcomed me into the family when I married her son, and made me to feel as though I were her daughter. Whether we were near or far she always offered a kind word to lift us up. Often she offered a helping hand, even when she grew feeble. I miss the smile and the laughs we shared, and I always will. To Granny, your journey's over now and you may rest. To those of us left behind, may we find joy, happiness, & peace through the tears we shed for her and the prayers she sent up for us. She will forever live on in our hearts. She will be greatly missed.
