“ *I remember growing up just up the hill from you guys. Bare feet walking down the road to your house to hang out and play.. Popping tar bubbles on the asphalt.. Playing ball in the field, walking to buy candy from the glass jars at the little store beside the river.. So many memories of your mom and dad.. She was always willowy and pretty.. You have all been like my brothers and sisters growing up our whole lives together.. I love you all.. I will keep you in my heart and prayers during this time and ever after..*
