“ *Uncle Bud will be so very missed. He was such a good hearted man. There are many memories but a few stand out. One is working with him and other family in the tobacco field in front of his house and him tinkering around in the barn. Another is that I always remember him with a ball cap, (just barely sitting on his head it seemed), overalls and a flannel. When he smiled, his eyes smiled too... We will miss you so much Uncle Bud.*
