“ Harolds sister Nanette was doing Christmas shopping for her family. She told me Harold was a deer hunter. I went with her to a sporting good store to help her find some useful items for Christmas presents. I found Doe Estrous in the store... and told Nanette get this.. I am sure he wont have this! Harold opened it and was over the moon with excitement and laughter. He said that was the BEST Christmas present he had ever gotten! Harold, you were a good man, kind and gentle. I will miss that belly laugh of yours! Julia
