“ I loved Heather with all my heart and we fought like sisters sometimes even but no matter what we always made back up and there wasn't a time that she could help me that she didn't. She was there for me many times that I'm glad she was there. I'll never ever forget that about her either. I'll forever keep that in my heart. And I'll miss her for the rest of my life. She was so beautiful inside and out! There's not ever a time I didn't feel her radiating light. And her humor always kept me laughing and smiling. But there wasn't ever a time that she didn't make me laugh either. Even in some of the worst situations u could imagine being in.
