“ *To all of "Sister's" Family and Friends my Love and prayers continue for you in the days and weeks ahead. Never could tell them apart so I just called them sister when I spoke to them. Helen you always made me feel uplifted when I was down and never failed to say thank you when I tried to help others. I will never forget you. Until we meet again. I Love you.*

As a first cousin I could never tell Helen & Nancy apart so I called them twin #1 & twin#2. My heart goes out to all the family. Both were fun to play with as children & both so sweet & kind as adults. Helen will be missed so much. She enriched all the lives she touched.
