“ I will never forget all our times together growing up. Racing go-carts in Pigeon Forge, riding three wheelers, hauling hay, fishing and boxing in the yard. We did so much together. And although the years and life drifted us apart I never forgot our times. I pray for your family especially your mamma and daddy. Goodbye my friend, go find Cooter Raymond I know he'll be happy to see you.

“ Sending you and your family lots of love today, Faith. I'm so sorry for your loss. A daddy is a girl's first love. He is the one who teaches his daughter how to love and how she deserves to be loved. It was very evident that you had a very special daddy who loved his little girl fiercely! Praying for you all today and the days to come. My prayer is that you will always keep all your memories with your daddy close to your heart and cherish them forever. May the Lord bring you and your family peace and comfort in the days to come.

“ I can't tell you how sorry I was to hear about Bucky. He was a sweet young man and I can still recall the grin on his face when he came carrying into my classroom a podium he had made in which he had carved "Buck" on the top of it. It will forever be a cherished memory. Love, prayers, and sympathy to all of you!
