“ *So many times we came up to visit y'all and had such a great time. He was as close to me as my own dad and actually treated me better. I loved this man so much and I'm so sorry that I didn't get to come see him before his passing. But it gives me comfort to know that he's walking those streets of gold without pain or suffering. I'm certain that he, mom and dad will be celebrating momma's birthday in a big way on Wednesday. She would be 98 this year. I can see them now having dinner, jack whittling, dad laughing and mother going on with years of memories. God gained another angel that will definitely be missed. Keeping you in my prayers Cathy. I'm sorry I can't attend the service but my back would never make the trip I'm afraid.*

Luv u and miss you
