“*Jamie and Lacey I want to express my deep sadness upon hearing that Jack had gone to be with the Lord Jack and I worked together at the post office at Dryden until he retired. He became a very dear friend to me and to my family. We talked about you two girls all the time and you could see how very much he loved the two of you and how proud he was of you. When your dad passed away Jack knew that he was going to have to fill in that empty spot in your lives and he did it with all the love a grandfather had to give. He bragged about your basketball skills Jamie to some of the situations you Lacey would get into and the look coming from his eyes held only admiration and love. He was so proud of you girls. He would visit our home quite often on his way to see Ruth Watson always with a funny story about what one of the grandchildren had done. The panty hose one was the one he told the most even those he was the one that fell. His heart was so filled with love from every story he told us. You two brought so much joy into his life and I know that he will continue to watch over you for a long time. I was so blessed to have met Jack and been able to call him a dear friend. May God pour down his love on you two and on both your families. Thank you both for sharing Jack with all of us. ❤️ Kathy Peters*

“ *Jack was a very hard working family man. He would always enjoy talking to me about Edith, Alaska, and farming.  
Some of the last words he spoke to me was he really enjoyed our company and our kids.  
His great grandchildren made his day and he enjoyed hearing their voices.  
You will be forever missed and hold a special place in my heart* ♡
