“ They say God only takes the best. I can guarantee you Fats was one of the best I ever had the pleasure of knowing. He never met a stranger. He always had a smile and laugh every time I saw him. And you never knew what would come out of his mouth to make you laugh. I knew Fats my entire life and have a lot of great memories of him. My heart goes out to his daughters and his grandson. My prayers are with you all during this hard time. I know what you all are going through all too well. Just remember all the good times and laughs you shared with him and hold that in your hearts.
