“ *I have so many beautiful memories with my dad and brother Kenny. Dad was the most gentle understanding and the unconditional love that he had for me and my brother. We were so blessed that God gave us the best dad and he always made the right decision that he thought was best for me and my brother until the end. He was a man of his word and kept it. His suffering is over and he's in heaven forsure cause he was dedicated to the lord and taught us. Life will no longer and coming home now will be empty and forever changed without him being there for me and my brother. I'm so thankful for the best brother who is just like dad and hope dad knows that Kenny will take care of me cause he's worried about that. Me and my brother were his life and best times of my life was when it was just dad and me and Kenny. He did a great job raising me and Kenny on his own and thank u dad for being a greatest dad and the last one to still be honest and good man. No other man will be like you. Me and Kenny will take care of each other and nothing will tear us apart. I love you and miss you dad and I cry for you everyday and my heart is never going to be the same. Ur mine and Kenny's guardian angel.*
