Tribute Wall

“ Our first memories of John were when he lived on Fraley Avenue. He was so proud of Johnna and Gracie. He would put them in the stroller and visit every house along the street while he gave Becky "mom's quiet time." He stopped and talked to everyone. I don't think he met a stranger, and he could always strike up a conversation about the girls. He lives on in our hearts.

“ *Sending many prayers and heartfelt condolences to all the family. John was a hard worker and loved working with the students. Lee and I both had the pleasure of working with him at MECC. He was very patient and kind to all. We are so very sorry for your loss, praying for peace and comfort during this most difficult time. John was always proud of his girls and talked of them often. I pray they know that and take comfort in remembering all the good times and memories.*

Knew John a very short time, I was working with him teaching HVAC at Mountain Empire College the past fall semester and was working with him this coming up spring semester. He was great to work with and I wish I had gotten to work with him much longer. My prayers are with your family during this difficult time.
