“ *Joey was one of my best friends in high school. Thankfully we reconnected after my father passed away and had many talks that gave me much comfort. He visited my mom to check on her for me and mom enjoyed his visits. He was a true friend. I planned to visit him this weekend and just sent him a message last week to let him know Donnie and I wanted to visit. I can't believe our visit won't happen until we meet in heaven. My prayers to his family for peace and comfort.*

“ My deepest condolences to the family. I was friends with Joey in high school. When my mom was very ill many years ago, Joey stopped by and visited with my mom and I and cheered us both up. I never forgot that act of kindness and the much needed ray of sunshine we needed that day.
