“ *I worked at Hensley's and he came in everyday almost always smiling and friendly. He loved to talk with us as he really enjoyed conversations with each of us there and spent a lot of time telling us funny things and stories. God bless and rest in peace.*

“ *Joe always liked to laugh. He also like to tell stories to me about growing up, family, and his life adventures. I always enjoyed my time spent with him when I cared for him in his home. He had a good heart. He loved Western's too.*
