“ My heart goes out to the family. I was part of this family over 40 years ago when Ms. Juanita babysat me. She was kind and gentle and was instrumental in me playing the piano. She encouraged me to play on a little tiny piano and I remember singing hymns with her and her talking to me about Jesus. Her faith was firm and her love of Christ radiated through everything she did. We will sing together again someday and we can rejoice in the knowledge that she is with the Lord with no more pains of this world. Love, Mary Green

“ Janie and Jeannie: I just found out about your mom. I would be there if I could. Juanita was one of the most wonderful, caring, loving woman I have ever known in my life. Never a harsh word, but I always felt as if I was home when I came many nights to spend the night with you Janie, as we were growing up. Carefree days and summers. She truly showed what being a child of God was about. With a God filled spirit and a gift of hospitality. I will miss her. I miss you all. My thoughts are with you today and in the days to come. Sending love and hugs.
