“ I'm so sorry to find out about Judy. I remember her from way back when we were just kids hanging out on Aunt Bo's porch or playing games in the yard. Her dad used to load all of the kids up in the bed of his pick up truck and treat them to ice cream. My love and prayers are with you and the entire family. She will be greatly missed.

“ Our family is so grateful for all of the help that Judy gave to my paternal grandfather Wilburn Minor and my maternal grandmother Paralee Wilder. We don't know what we would have done without you. You were a knowledgeable nurse, but perhaps just as important you were a comforting nurse that really cared for your patients. You were also encouraging to their caregivers. Prayers for the family.

“ I haven't had the pleasure of visiting with Bernie and Judy for several years. Judy and I both worked in healthcare so our paths crossed often plus the four of us had a deep love of going to the lake.

Judy was a loving and very compassionate person and nurse. Her patients loved her. She could make them laugh and they knew she really cared. The community will miss her. Prayers for Bernie, family, and her friends.
