“ *Jess, Sharon, and Mark, I send my deepest sympathy to you all! Justin was such a kind-hearted, sweet, and yes very quick witted person! He was always one to bring light on a situation(whatever it was). I am so sad to hear this news...As i try to process how this could be i find myself remebering all those fun times we all had at the Eden's house! i believe it was my home away from home. Please know I will be thinking of you all and praying that God gives you peace and comfort through this difficult time. Miss and love you guys!*

“ We were so sorry to hear of Justin's death. Justin and your entire family have been in our thoughts ever since we got the news. We have wonderful memories of Justin and your family. He was such a sweet and funny guy. Joseph was full of good memories and shared some of the many good times the guys had growing up when I talked to him earlier in the week. These words have definitely failed to communicate the hurt and compassion we feel for all of you. You are in our prayers.
