“ Our hearts are broken over the loss of Sue. When Joe took the Band Director job at TW in 1967 we became instant friends. He often talked about what an outstanding teacher she was. I remember watching her interact with students while she directed all those school plays and saw how much all the kids loved and respected her and how much fun they all had. Sue was very intelligent and at the same time very sensitive to anyone she thought might be struggling in some way. She had a huge heart and was always willing to help anyone who needed it. Sue and Sam were wonderful friends to us and we have many wonderful memories of our time together with her. Her passing will leave a huge void in the lives of all who knew her. Heaven has gained a precious child and we know will see her again. Our heart felt sympathy to Sam and all her family and friends.

“ I was in school with Sue from 1st through 12th grade. My wife, Susie went through college with her at Radford. I enjoyed time spent with her at our high school reunions and missed her at the recent ones when she was not well enough to attend. She was a lifetime dear friend. It is sad to learn that she has passed on.

Growing up near the Camp Ground in Lee County, many a wonderful fun filled day and night was spent with Kathryn Sue. I felt like part of that family since I spent a lot of time there. I was so sorry to learn of her passing. She was a wonderful person and I am so sorry I had not been in touch with her in quiet awhile. We really had so fantastic times back in the day probably in the late fifties. So many good memories. Go with God Sue

Thank you for sharing. She was my aunt and was like a mother to me. Reading things from her students has been the best!

“ Mrs. Beaty was a great teacher and wonderful person inside and out. She knew I was interested in Genealogy at an early age and kind of gave me that push to seek insite into the early history of Lee County. She will be missed by her family, friends and former students and faculty. She will always be in the hearts of all who knew her. Rest In Peace Mrs. Beaty.

“ She was one of greatest & inspirational teachers I had the privilege of having. They sure don't make educators like her anymore!! Not only did I get the privilege to be one of her students I also was able to attend church with her. She was definitely an angel here on Earth 😭😭
