I will miss Keith dearly. He was a good friend and good man. He was taken way to early. I will always remember that he was worse than a woman when it come to getting ready to go to work. Even though he knew what time he had to be ready, he would wait till the last minute to get ready, and then he'd need help n getting his belongings together...with Kevin setting in the driveway waiting, and while Kevin waited patiently. That was just Keith... I love u my friend. My thoughts are for those of us that he left behind.
