“ *The promise of tomorrow is not given, and our days are numbered as the hair on our head I know you had a short time on this earth and so many things we would like to change I know you were loved by ALL that knew you. Sadly I am reminded of the woman at the well let he without sin cast the first stone. Whoever shall believe in me shall not have parish but have everlasting life. That is the lords promise to man. Rest in peace and may your life you lived be a light to all who new you.*

“ *I'm at a lost for words kk, but I am so thankful to have met you and to be able to cherish so many memories. You helped me through some tough times with your goofy smile a bag of gummy bears and that stupid Pokémon movie. The world lost an amazing person but heaven gained a beautiful angel. I love you kk\$*
